

Queen Mary's College Students Celebrate Basingstoke in a new Exhibition Space at the Railway Station

The Arts Society Basingstoke has created a new display area at Basingstoke Railway Station and invited Queen Mary's College students to create work to celebrate our town. This project was given to level three extended diploma students. They each selected an aspect of the town that they felt was significant and collaborated to create a collage. There are six Artworks.

The Holy Ghost Ruins and the War Memorial Park.
